Letter from the Editor

Still in Huntsville and it looks like the job will keep going into 2020. This complicates how I handle my magazine subscriptions, as in which address to use, my Oviedo or Huntsville address, for receiving the monthly issues.

So I have gone to the digital issues instead. This makes each issue available to me on the internet anywhere I am on a laptop, tablet ,smartphone etc. I get the added advantage of having access to all issues going back three years or so. So far I have digital subscriptions to Hemmings Classics (\$10/yr), Octane, Motorsport and Racer. Now if the AACA will add the digital option for the Antique Automobile magazine I will be in Fat City.

Attended Huntsville Plastic Modellers Club

Also attended the North Alabama Region AACA chapter meeting and met the club president, Nell Owen. She has a great looking 1951 Frazer.
