President's Letter

Greetings All,

Continuing on with the season of Thanksgiving - is Christmas - the greatest gift humanity received and the most thanks that we should acknowledge and celebrate, the only reason why we have this Holiday, so Merry Christmas and may y'all have a Blessed New Year.

Hope to see you all at our Christmas Dinner at the Golden Corral in Altamonte springs on Dec. 12th at 6:30 and bring an unwrapped toy or two (one boy and one girl gift), oh and the patience for a short meeting.

Thanks for the extra magazines donated for distribution which is available if anyone needs some more to distribute. We still can use more.

Best Regards,
Mickey Bryant

Letter from the Editor

This is what I have been working on since June while in Huntsville, the SLS (Space Launch System) core stage. The engineering analysis which I do in Huntsville supports the build of SLS core stage at New Orleans Michoud Assembly Facility. The completed core stage with all four RS-25 engines attached is the largest rocket stage NASA has built since the Saturn V stages for the

Apollo program that first sent Americans to the moon.

The core stage in the photo will be shipped to the Stennis Test center in Mississippi to be tested on a test stand sometime in 2020.

Minutes of the Florida Region AACA Board & General Meeting – November 11, 2019

The Florida Region AACA met at the Kress Memorial Church in Winter Park on November 11, 2019. President Mickey Bryant called the Board Meeting to order at 6:07 pm; General Meeting at 7:05 pm. Officers and Board Members present were Jack Scott, Larry Cole, Darrel Cole, Bill Morris, Bob Coolidge, Don Allen, Larry Mills, and Howard Gilkes. General Meeting had twenty-five (25) members in attendance.

Mickey led the Pledge of Allegiance to the flag of the United States of America. The Minutes of the October Meetings were approved as printed in “The Running Board”.

Don Allen presented the Treasurer’s Report for October, 2019. Mickey acknowledged Club Veterans and thanked them for their service to our Country.

President Mickey presented the program. It was a report on Durant’s production of the Durant Roadster in 1910, the Little Car Company (“The Car That Could”) in 1911, the Chevrolet in 1912 and became “The Man That Started General Motors”.

At the Board Meeting Howard Gilkes made a motion for the Club to reimburse \$15 to each Florida Region Club Member and their spouse for their meal at the Christmas Party at the Golden Corral. No gratuity is required from Club Members. The Club will

cover that separately. The motion passed unanimously.

Don Allen made a motion that Florida Region AACA donate \$1,000 to National AACA toward their Building Fund. The motion passed.

Wayne Bostak and Jack Scott reported on the visit to Allegro Assisted Living Center. All attendees enjoyed the event. Eleven (11) cars (and their drivers) participated.

Mickey gave a report on the Warren Wubker's Garage Tour. Those attending were impressed with the magnitude of the display. Maybe another future tour can be arranged.
