President's Letter

Greetings All,

Hope this finds you all well and in good health and staying busy taking care of your favorite ride, making repairs, polishing something or just enjoying and those without rides, catching up on your history or reading up on your favorite car!

We also have decided to cancel May's meeting due to the continued problem with the virus and the slower decline of the infection rate. We are looking forward to June's meeting which we should be able to rejoin.

We would also like to Welcome John Hernandez who joined us at our April meeting as a new member who has a love for the old rides and their history. All of you who did not get a chance to welcome John -drop him a note at jhm8065@yahoo.com . John hang in there, our meetings should resume next month. To the rest of the club if you perhaps find yourself looking to fill some time - now would be a good time to come up with some submittals for the website. Also by the time y'all receive this, you should be able to checkout the website for a new car of the month. If for some

reason we cannot get it up on the website,
it will be sent out to all members via email

Happy Motoring!!!

Mickey Bryant

Letter from the Editor

It is all quiet on the streets of Orlando these days which makes it hard to run across many interesting cars these days. So instead, here are some cars I would love see on the streets:

1949 Kurtis Sports Car

1915 Buick Model C-4 Express Truck

1936 Cord 810 Beverly

1966 Dodge Charger

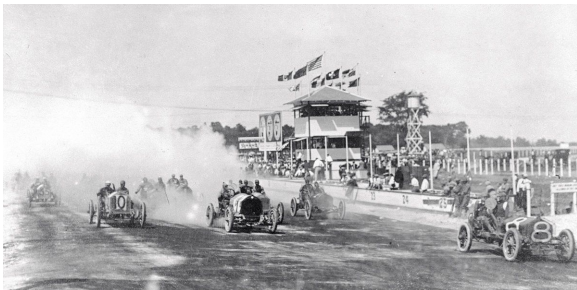

1960 Plymouth Fury Convertible

Digital Archive of Indianapolis Motor Speedway Now Available

IMS Digital Archives

The Indianapolis Motor Speedway just opened its 111-year archive for race fans around the world to learn more about the extensive heritage of the Racing Capital of the World.

Through historical features and photos, the IMS Digital Archives highlights some of the track’s biggest moments in a decade-by-decade chronology. And IMS Historian Donald Davidson shares his unparalleled knowledge of the Speedway in both oral and written

history pieces. The multimedia content is optimized for mobile devices, including phones and tablets.
