President’s Letter

Greetings All,

We appear to still be on hold for our meetings due to the coronavirus. I hope you all have been staying in touch through the news-letter, the website and any emails conveyed. As the most recent email mentioned that in order for us to reconvene at the church, we would be required to meet all anti-covid requirements and also refrain from any refreshments and food.

I know for our long time members this feels out-of-sorts for our car club hobby and interest that we are accustomed to and we are sorry for our very new members to have been caught in this and some decent plans that we had for the year.

We hope all of you will stay involved in your choice of interest. This would be a good time to involve yourself with your interest in the hobby from your own car, a model you may be working on, artwork, photography, or anything involved with our interest and sharing that with the club through the newsletter and the website. We are still looking for submittals to the

website and the newsletter - car stories, member rides, anything related to our hobby, a car of yours for the car of the month or another that may be of interest that you may have come across in your travels. Remember to keep gathering items for our auction. Stay tuned-up and healthy in your travels or idling at home!

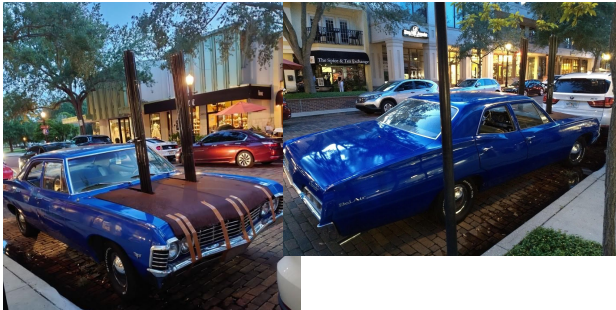

Happy Motoring!!!

Mickey Bryant
