**President's Letter**

Greetings All,

Hope you all are doing well and staying in good health. Although I understand Bill Morris broke his wrist while trying to wrangle a run-away tire, is still in good spirits and trucking right along - keep going Bill! If any other members would like us to pass along any concerns so we may keep you in our thoughts or prayers - no details necessary - just let us know.

We have a special coming up on our website I believe in September that you should enjoy for some time. Charles Jones, one of our members has been restoring his '63 Olds 88 2 Dr Hardtop and has graciously offered to take us through his experience step by step. This should be an interesting build to follow and look forward to. We would also like to remind you of the websites museums and references pages that can link a place that you have visited and would like to refer to or links that would be of interest to others along with your comments - your submittals are welcome. Glenn - our Running Board editor

would also welcome any submittals or ideas that would be of interest to our members.

Stay tuned-up and healthy in your travels or idling at home!

Happy Motoring!!!

Mickey Bryant
