Deadline is the 20th of the month

### President's Letter

Greetings All,

I hope you all will excuse the delay of the Running Board and website this month. I have held up both Glenn and Larry from releasing the issues to get responses from members for your input to rejoin our monthly meetings - which I regret to inform you of another month delay! We can still keep club interest up by utilizing our newsletter and our website with your help - submit cars of interest, stories or links or projects you may be working on that may be of interest to the membership.

This month you should see the first installment of Charles Jones '63 Olds 88 restoration experience - check it out. Also there was an interesting link on the recent AACA Speedster issue that was about American Auto Emblems that will make a nice reference - something that would make a good addition to our reference section on our website - hint Larry. If you missed it - check it out through the last Speedster issue or wait till we can link it.

Stay tuned-up and healthy in your travels or idling at home!

Happy Motoring!!!

Mickey Bryant

### **General Meeting –**

The September general meeting for the Florida Region AACA chapter was canceled due to the coronavirus-enforced shutdown .

### **October Birthdays**

Dick Gauchat      October 12

Kendra Gilkes      October 10

Annie Juergensen      October 9

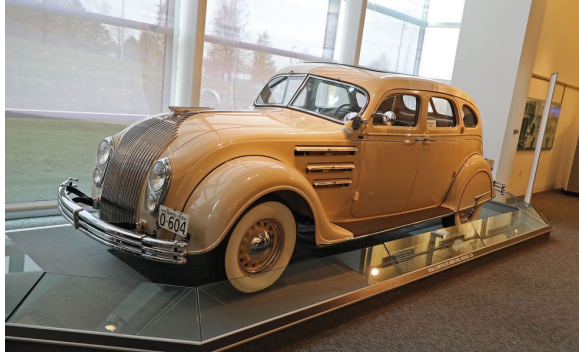

### **The Chrysler Museum in Pictures: Gone But Will Not Be Forgotten**

Here are some of the classic cars that were on display at the Walter P. Chrysler Museum on the grounds of the company's Auburn Hills, Michigan, headquarters opened to the public in 1999. The museum housed as many as 67 of the company's more interesting production, concept, and racing cars in a sprawling 55,000-square-foot facility with three floors and a rotating center display tower. The building, says FCA, will now be converted to badly needed office space.
