President's Letter

Ok - We have checked on using the facilities of the church to hold a meeting for those of you who wanted to make a meeting. The church does not want us using the facilities due to the pandemic, for they are not using the facilities themselves. I hope we all understand their concern - so with that in mind I have another proposition for y'all, we can meet like the Cars and Coffee crowd - somewhere where there is room, maybe by a Dunkin Donuts, or even at members homes or different locations around central Florida. We would need space enough for us and our cars (that means drive one of your oldie-goldies) and have some designated members bring coffee and donuts or other refreshments. .

Let's put some thought in this and see if we can start meeting like this for the interim - email me any thoughts and ideas along this line.

Remember the installments of Charles Jones '63 Olds 88 restoration experience on the website. Also Larry has gotten the link of American Auto Emblems added to the reference page of the website - check it out.

Do not forget the Running Board -Glenn's finding us some interesting cars to report

on and other tidbits and auction cars and their prices.

Stay tuned-up and healthy in your travels or idling at home!

Happy Motoring!!!

Mickey Bryant

NO REGION DUES FOR 2021

Message from the Treasure

The board of directors for the Florida Region have voted to waive the membership dues for the Region for this year due to the pandemic. Your membership will just carry over for 2021.

This does not include the dues for National. They are \$45 and are to be paid no later than January 1, 2021. You can pay online or mail your check to AACA National headquarters, 501 W. Governor Rd.

Hershey, PA. 17033. You must be a member of the National Club to be a member of a local region.

Also, the board decided that since we were not able to do much of anything this year, all officers and directors would continue for 2021 unless they choose not to.

Don Allen, Treasurer

General Meeting –

The October general meeting for the Florida Region AACA chapter was canceled due to the coronavirus-enforced shutdown .
