Board and General Meeting –

The Florida Region AACA Club general was held on January 13 at All Saints Church in the Mary Martha Parlour. Eighteen members attended the general meeting after the board meeting.

President Charlie Jones called the meeting to order at 7 PM. The minutes from the December meeting as presented in the TRB newsletter were accepted by the club. The Treasury report was presented by Charlie and accepted by the club members.

A motion proposed by Don Allen was presented by Mickey Bryant that the 2025 club dues for Larry Mills, Glenn Harris and Darrell Cole be paid by the club for their work on the club web page, newsletter and Facebook. The club members discussed the motion and passed the motion.

The next club discussion covered the status of the club show. Mickey asked how many members would bring their cars to the show. Mickey also asked for volunteers to assist parking and man the show entry booth. The President proposed that voting for best cars be open to any car, even their own car. The members discussed the proposal for consideration. Also Mickey said the church does not want alcohol on the church property so show guests should be advised

with announcements and signs of no drinking on grounds.

Matt Cannizzaro reported on the Mustang club show on April 4 and 5 at Dezerland Park. The show is open to mustangs only but the public is invited.

Dana Sprague introduced his daughter Alicia Sprague to the club and she announced a program that UCF students will be researching to study the impact of minor cognitive changes on drivers 65 years of age on driving performance. She asked for volunteers and passed out information on the study. The volunteer sessions will be from Monday through Friday between 8 and AM. Flyer for the program is attached to the TRB.

Next Dana did the program for the meeting. He described the work he has done for his 1985 Corvette Z51, silver in color, with a 4+3 manual transmission that he bought in 2020 and his special memories for that car model.

After Dana's program, the meeting was adjourned and club members had refreshments provided by Betsy Campbell.

The University of Central Florida is seeking participants for a memory and driving study.

Researchers invite older adults to participate in a study that merges healthcare and technology by using in-vehicle sensors to study memory and driving. The research will take place at the University of Central Florida's Main Orlando campus. Participation is voluntary, and your identity will remain confidential.

We are seeking adults:

- * 65 years or older
- * Fluent in English or Spanish
- * Lease or own and drive a car
- * Hold a valid driver's license
- * Meet with the team regularly (every three months over three years)

Note: Participants will receive a \$25 gift card at each visit, and a \$50 gift card at the final visit for a total of \$350.

CAN MAKE A DIFFERENCE FOR YOURSELF, YOUR FAMILY AND FUTURE GENERATIONS.

To sign up, contact us at (407) 459-4488 or olderdriversresearch@gmail.com
