President's Letter

Greetings All,

Here goes another year - plenty of ideas on the slate for scheduling and yet your input is still welcomed. From breakfast at the grist mill to our own annual car show and presentations for the general meeting we have a number of great ideas to prepare for.

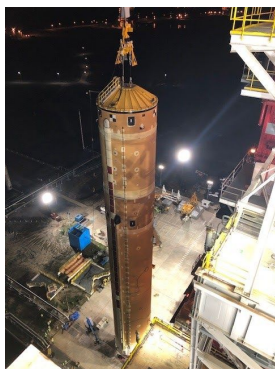

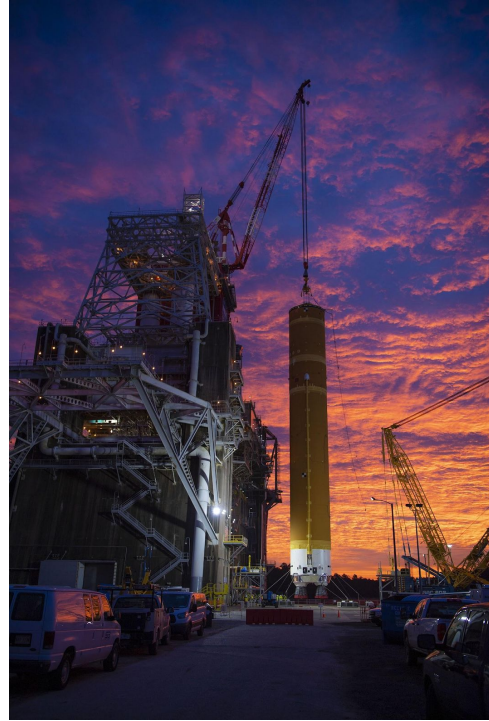

Howard and Kendra were missed and will hopefully be back up to par for the next meeting and thanks to Mary for stepping up and handling the refreshments besides assisting all the time and bringing those special baked goods!!!

We would also like to welcome two new members - Les Hess and Betsey Campbell. I would also like to recognize those that joined us last year and in no certain order they are Nelson Biffar, David Berndt, Phylis Forgit, Ronald Fritz, Dr Paul & Susan Levine, Marvin & Toby Guttman and Charles Jones - if anyone was missed - let me know. Happy motoring to all.

Best Regards,
Mickey Bryant

Letter from the Editor

I am still working on the SLS rocket core section at Boeing. And Boeing teams recently moved the core section to the NASA's Stennis Space in Mississippi.

On the ground – and 22 stories above it – at NASA’s Stennis Space Center have been preparing a massive test stand to receive the Space Launch System rocket’s 212-foot (65-meter) tall core stage – the largest NASA has ever built or tested.

After days of careful handling and positioning, the core stage was installed in the stand Jan. 22.

General Meeting – January 13, 2020

The Florida Region AACA met at the Kress Memorial Church in Winter Park on Jan 13 at 6:10PM. The General Meeting at 7:03PM.

Officers and Board Members present were Mickey Bryant, Bill Morris, Bob Coolidge, Jack Scott, Don Allen, Larry Cole & Darrel Cole. General Meeting had 29 present including 2 new members.

Dick Cauchat opened the meeting with the Pledge of Allegiance. All were welcomed back for the new year and thanks given to returning Board Members & Officers for their continuing service. Don Allen presented the Treasurer’s Report and discussion ensued upon the activities for monthly meetings and activities.

Don Allen made a motion for the purchase of an enclosed binder as suggested by Mickey Bryant. Mickey had suggested that an enclosed binder could be passed onto succeeding Presidents for a resource in conducting club business. The motion was passed.

Before the general meeting, the discussion continued on with a review on the other garage tours, the toys delivered to Winnie Palmer Children’s Hospital, a visit to Gateway, going to DeLeon Springs Spanish Sugar Mill for breakfast, Volusia car show, Longwood car show, Winter Garden car show, a visit to a restoration specialist & ice cream producer and a number of other ideas.

The Board adjourned at 6:55PM and the General Meeting was adjourned at 8:34PM.

Mickey Bryant

October Garage Tour

Many Thanks to Warren for a great Garage Tour (Our Event) with a grrreat selection of Cars and a not to shabby Garage - maybe a little more oil and grease - but hey - who's complaining!!!

Actually, this lovely Museum was opened for our Region as a special favor and not open to the public. In addition to a fantastic collection of restored cars and many other items of interest, there was a gas station, a movie theater and one side of the building was a street scape of Warrens boyhood hometown main street. Up stairs on a mezzanine was a full size working old fountain shop and Warren was handing out cokes to all who was thirsty.

Main Street
