**President's Letter**

Greetings All,

We come to you this month saying goodbye to another one of our lifetime members - Russ Dawson. Russ and Shirley have been with us since sometime in the sixties I believe. I hope that many of you were able to connect with the live feed service from the Highland Funeral Home. I want to thank all of you who were able to make the service and those who were unable - drop Shirley a note!

Unfortunately we will have to cancel June's meeting since the church has not decided to open back up yet and will not meet until May 30th to contend with that matter and under what conditions. We should most certainly be able to plan for July's meeting with plenty of time to prepare. Remember that July will be our annual auction meeting so you'll have plenty of time to gather things or make something!!!, automotive related or not - whatever wonderful treasures you want to part with!

Make sure to log onto our website for a new car of the month and view some more past club events that have been posted.

Happy Motoring!!!

Mickey Bryant

That's right little peckerheads...keep a wipin'.

### Letter from the Editor

I hope the month of June brings good news and happy motoring for all us. The updated club website really helps brighten my day. In the meantime, here is something to lighten our outlook.
