President's Message

Greetings All,

Hope this finds you all thoroughly stuffed and satisfied from your Turkey Day and with great memories of family and friends.

Our next function is the Christmas Dinner/Meeting on Tuesday evening - December the 14th at 6PM at the Patio Grill in Sanford. We are still doing the children's gifts or gift cards for the Winnie Palmer Children's Hospital and discussing the rescheduled Car Show to the 26th of February 2022.

Unfortunately the January dates that we shot for were unavailable - so we still have enough time to do any additional prepwork or planning and advertising to make this a good one.

Still in need of some other members to step-up and volunteer for positions as Board Members, Secretary Vice-President and a Hospitality person(s).

Keep up with the Running Board and the Florida Region Website and now a

Facebook Page - thanks to Josh Cole for handling that. You can contact him about getting access to that or see him at the meeting.

Stay tuned-up and healthy in your travels or idling at home!

Letter from the Editor

Christmas Dinner (6:00 PM at the Patio Grill in Sanford) is coming in place of the club's December meeting. And bring gifts for children at the Arnold Palmer Children's Hospital in Orlando (either unwrapped toys or a gift card for Wal-Mart). Bring your gift to the dinner and one of our members will deliver them to the hospital.

General Meeting –

Meeting Minutes - November 8, 2021

The Board meeting was held and adjourned before the general club meeting. There were 16 members present for the general club meeting. The treasurer's report was presented and accepted by the club. The e accepted as reported in the TRB newsletter. The club president welcomed Jan and Nelson Lawhorn who were visiting during their trip to Orlando. The president asked club members to keep Howard and Kendra Gilkes in their thoughts and prayers.

The club president opened the discussion about the I Nov 6 club show on Saturday that was cancelled due to bad weather. Mickey told how he was at the site on Saturday to make sure that all were aware that the show was cancelled. There were a few cars that did come by for the cancelled show. That was encouraging to plan a rescheduled show even though it disappointing not to have a show.

Then a discussion was opened by the president to explore when the show could be rescheduled. A tentative date of January was proposed but time

constraints for preparation could be a problem. The members were told that there was still a need for donations to fill the show goodie bags.

A discussion about future events for the club in 2022 followed.

Larry Mills reminded members that the club web site is open for news and special interest items:

Florida region.aaca.org. Also a club FaceBook site is in work by Joshua Cole.

After the discussions, Larry Cole showed his collection of posters from the past car shows held at the Mt Dora Lakeside Inn.

Refreshments of cookies were serviced at the end of the meeting.
