Board and General Meeting –

The Florida Region AACA Club Board was held May 11th at the All Saints Episcopal Church in the Mary Martha Room.

The club general meeting started after the club Board meeting. Club President

Charlie Jones opened the meeting at 7:10PM. Eleven members attended the general meeting. The club members performed the pledge of allegiance to the flag. Treasurer Don Allen presented the treasurer's report and the members accepted the report.

New club member, Faran Leneune, was introduced at the meeting by Matt Cannizzarro. Club members happily welcomed Faran with around of applause.

First item for club discussion at the meeting was a proposal by President Charlie for the car show judging at the next year's car show. Charlie proposes that the car judging be done by the votes of the show participants voting on ballots. Don Allen proposed that the counting of the ballot votes be done by the participants. More details will be sent out to the members later.

Next, Jack Scott showed large posters that he had found. These are Studebaker dealers posters from 1950 of pictures of the 1950 models that are the same photos presented in the

Studebaker dealer brochures.

The 50/50 drawing was held next, with Don Allen winning the pot.

The program for the meeting was the showing of a video presenting the LeMay Museum car collection.

After the club program, Betsy Campbell served some great cookies.

TECH TIP:

- How to tell how old your tires are? Locate the DOT code on the sidewall of your tire. The code consists of the letters "DOT" followed by up to 13 numbers and letters.
- Read the last 4 digits of the DOT code. ... first 2 digits is the week and last 2 digits are the year.
- Replace your tires when they're 6 years old, regardless of their condition.
