President's Letter

Spring is here. Not too late to get out with the old car before it gets too hot. I have been getting the **1948 Chevy Fleetmaster** ready (installing the under seat original heater) for the Tennessee Region "2015 Southeastern Divisional Tour". Myself and Jan Lawhorn, Ray and Annette Morrison, Tom and Dena Holt, Bob and Marlyn McMullen plan to attend the three day tour in and round the Smoky Mountains. As I write, Gene and Marilyn Roy are attending the AACA Western Spring Meet and Grand National in Tucson Arizona, hope to get a nice report from them on their return.

Our club had a vendor booth at the 28th Annual Mustang and Ford Round Up car show on February 28, 2015 held in downtown Longwood, FL. *See my photos on page 5.* The weather /rain did not cooperate. Although it was worth being there to have a presence, it was not a good day for new member sign up. We had several members bring their car to the show for a drive by, being: Steve Yancey, Larry Gilbreath, Steve Tunney, Gene Roy. At the booth were Nelson and Jan Lawhorn's **1948 Chevy** and Steve and Virginia Yancey's **1940 Ford**. Also we thank Henry and Betty Hopkins for the loan of their tent for the show. Also thanks to Matt Cannizzaro for getting us in the show.

At our last board meeting Steve Tunney said he would be willing to take the reigns for the Old Town car show coming up on May 16, 2015 (approved by the Board). Kerry Camp said he would be in charge of bringing the tent and helping out. Plan to come with your car and be part of supporting our club and getting new members. More information at our next club meeting.

Plan to come to our next club meeting prepared to bring an item (or more) for our yearly auction. The items you bring do not have to be car related. Invite friends and come have a great time.

2015 Mustang & Ford Round Up Car Show

Florida Region Booth at the Car Show

Steve Yancey - 1940 Ford Coupe

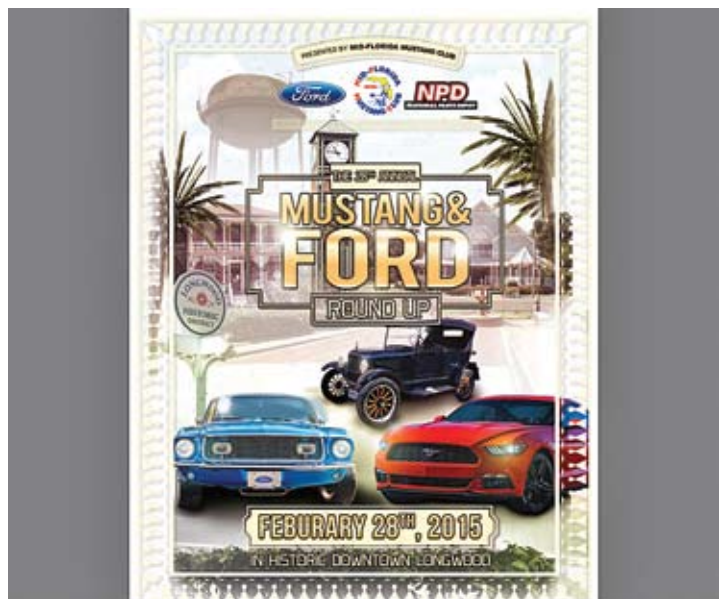

Larry Gilbreath - 1919 Ford Model T

Steve Tunney - 1949 Mercury

Gene Roy - 1935 Ford 4 Door

COVER VEHICLE FEATURE ARTICLE

1964 1/2 Ford Mustang Coupe

Owners: Henry & Betty Hopkins
Florida Region members

1) In 2012, the Hopkins' purchased this car from a classic car dealer in Sarasota, FL. A total restoration was completed in 2005 by the previous owner. Research on the car's history revealed it was built 18 days before the first Mustang was introduced at the 1964 New York World's Fair. The term "1964 1/2 Mustang" is really a misnomer. Mustang enthusiasts use this term to indicate an early 1965 Mustang built between March and July 31, 1964. The car's title states this is a 1965 Mustang.

2) A numbers matching drivetrain still powers the car. The 289 (4.7 liter) V-8 engine (D-Code) with a 4 barrel carburetor generates 210 horsepower at 4,400 rpms and 300 lb-ft of torque at 2,800 rpms. The car comes with factory power steering and power brakes.

3) A 3 speed automatic transmission is shifted on the floor in the optional factory center console. A factory Ford under dash air conditioning unit is retained.

4) The fully carpeted trunk uses the same red carpet as the interior. The car runs on factory size 6.95 -14 inch BF Goodrich Silvertown bias ply tires with dual red line stripes mounted on Mustang styled steel wheels.

5) Henry and Betty enjoy driving the car to local Orlando area car shows and around town. No future upgrades are planned for this little white pony. Henry says "It drives perfect the way it is".

Sold on eBay

This 1959 Citroen Panhard PL17 (microcar) with 4 speed manual trans, 2 cylinder air cooled 850cc, 50 hp engine, located in Arizona sold for \$10,100 (43 bids) on March 5, 2015. From the Seller's description...

"Original factory paint... stored since 1968 on enclosed ex-dealer garage imported to start dealership that failed to start business --- only used for 44,997 miles... front wheel drive panhard was overtaken by citroen company before it folded in the 60's therefore the name panhard-levassor-citroen designation -- panhard was founded in 1891 almost as old as the first mercedes benz --- great history and this model won several rallies and the 1st place in 1961 monte carlo."
